ARCADE & ATTRACTIONS SUPERVISOR

TERM: Seasonal, May 9 – September 7, 2020

The Arcade & Attractions Supervisor is an energetic team leader with a positive attitude and superior guest service skills. As a Supervisor, you will be responsible for overseeing all daily operations in Sportsland including operation of all attractions, staffing, training team members, and managing the guest experience by ensuring that we are always delivering a fun and exciting experience for our guests.

DAILY DUTIES & RESPONSIBILITIES

- Supervise the closing of Sportsland. (Cash out the cashiers, transport floats to the vault and ensure attractions and facilities have been properly closed).
- Coordinate break coverage for all Sportsland staff during the day.
- Perform audits throughout the day to ensure cleanliness, adherence to protocol, temperature checks of food areas, etc.

POSITION REQUIREMENTS

- The ability to supervise and coach 5-10 employees at one time.
- Strong interpersonal communication skills
- Strong Guest Service skills
- Food Safety Knowledge & Training
- Certified Food Handler (if candidate does not currently hold their certificate, we will pay for the training & certification)
- This position is primarily an evening position and will require working until 10:00pm most days.
